recycling at all, so please make sure you're getting it right.

So when it comes to Easter egg packaging, the cardboard box can be flattened and recycled.

The plastic and tin foil should not be put in your recycling bin.

More information on what you can recycle can be found [here](#).

### [Help for rough sleepers](#)

Havant Borough Council has been successful in securing funding to end rough sleeping.

More than £92k has been awarded across Havant borough and East Hampshire District from the government's Rough Sleeping Initiative.

More information about this funding can be found [here](#).

If you, or anyone you know is homeless or sleeping rough, information and help is available [here](#).
