

Candidates line up for Elections

Nominations to stand as a councillor in Havant Borough Council's local election, being held on Thursday 2 May, have now been received.

Candidates, from all parties, have put themselves forward to stand in 10 of the 14 wards across the borough, as no election is due to be held this year in the Barncroft, Battins, Bondfields and Warren Park wards.

Residents in the borough, who have registered to vote, will be able to choose their local councillor by voting between 7am and 10pm at their designated polling station on election day.

Anyone who has not registered to vote can do so before 12 April by applying online at www.gov.uk/register-to-vote or by calling 023 9244 6226 for a registration form.
